The Bell Ringing Training School of the Ely DA

Ten-session **Change Ringing** course Starts Sat 6 May 2017, 10am - noon

Is this course for me? Yes, if you ...

- Would like to learn to ring plain hunt, the gateway to method ringing
- Or can ring plain hunt a little and would like to become more fluent
- Or can ring plain hunt and would like to prepare to move on to methods

What will I achieve?

MoreRinging follows the  Learning the Ropes syllabus, so you will revise Level 1 (bell handling) and Level 2 (foundation skills) before embarking on Level 3 (covering and plain hunt).

The aim at the end of the course is for you to be ready to pass  Learning the Ropes Level 3, by ringing two quarter peals (arranged together with your home tower) - dependent of course on individual progress.

How will the course be delivered?

The course consists of ten 2-hour lessons at Stretham REC, a mixture of:

- Saturday morning group lessons each week
- and/or small-group lessons during the week (evenings or daytime).

Lessons may be continued after the end of the course, at the usual REC rate of £2 ph.

How much does it cost?

The course costs £20. As well as your lessons, this includes:

- ART Learning the Ropes registration and booklet (if not already registered)
- An instructional bell ringing booklet
